- **Katsushika City Japanese Step-up Class**
- **Japanese Language Class Group**

○What is “Japanese Step-up Class” ?

This class is designed for children who have just arrived in Japan to learn the basic Japanese language for school life and lifestyle in Japan. In principle, students learn Japanese for four months.

○What is “Japanese Language Class Group” ?

This class is to help children learn the Japanese language so they can study school subjects comfortably and enjoy school life. In principle, students learn Japanese for two years.

Regarding Japanese language instruction

For children whose mother tongue is not Japanese and who are enrolled in Katsushika City-run elementary schools and junior high schools

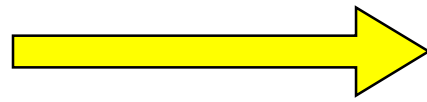

Please submit the “Application for Japanese instruction” to the school where your children are enrolled if you like your children to attend the Japanese class.

There will be an interview at Katsushika City General Education Center

Able to carry out daily conversation in Japanese

A Japanese instructor will inform you of the interview date and time.

Can not speak Japanese

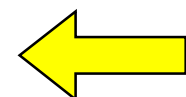

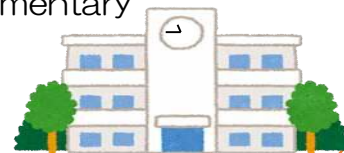

Japanese Language Class Group

This class is to help children learn the Japanese language so they can study school subjects comfortably and enjoy school life.

- Once a week/2 hours each for 2 years
- While attending the school where children are enrolled, they will also study at a school that offers a Japanese language class.
- You may have to wait until there is availability

Schools that offer a Japanese language class group
